A PRESIDENT'S VIEW OF THE BIBLE!

"So great is my veneration (reverential respect) for the Bible that the earlier my children begin to read it the more confident will be my hope that they will prove useful citizens of their country and respectable members of society. ...The Bible is the Book above all others to be read at all ages, and in all conditions of human life." John Quincy Adams

Thank You Very Much,
Dear Dunlap church, Just want to say thank
you for the cards and food that was sent
to our house and also some money that was
given to us when my wife was having her
battle with cancer. It is so good to know
that we have Fellow Christians who care so
much for us during our trials and
tribulations. It was so hard to watch my
wife LeAnn struggle with this awful disease.
But I am comforted by the fact that she is
in a better place now and one day I will
get to see her again.

In Christian Love, James Day
