HIS FAVORITE TOOL

It was advertised that the Devil was going to put some of his tools up for sale. After all, he had a huge assortment—with various models of each and he figured others might get some use out of them.

On the date of the sale, the tools were placed for public inspection, each being marked with its sale price. The list of implements to be sold was horrifying and unnerving...Hatred, Envy, Jealousy, Deceit, Lying, Pride... Just to name a few. Laid apart from the rest of the tools was a small, rather harmless-looking tool—well worn and priced very high.

What is the name of this tool? Asked one of the prospective purchasers. That is DISCOURAGEMENT, the devil replied. Why is it priced so high the would-be purchaser asked? It is one of MY most useful tools the Devil said.
